ARCI-010-020 Weights

A. Allowances

- (1) Weight allowance must be claimed at time of entry and shall not be waived after the posting of entries, except by consent of the stewards.
- (2) A horse shall start with only the allowance of weight to which it is entitled at time of starting, regardless of its allowance at time of entry.
- (3) Horses not entitled to the first weight allowance in a race shall not be entitled to any subsequent allowance specified in the conditions.
- (4) Claim of weight allowance to which a horse is not entitled shall not disqualify it unless protest is made in writing and lodged with the stewards at least one hour before post time for that race.
- (5) A horse shall not be given a weight allowance for failure to finish second or lower in any race.
- (6) No horse shall receive allowance of weight nor be relieved extra weight for having been beaten in one or more races, but this rule shall not prohibit maiden allowances or allowances to horses that have not won a race within a specified period or a race of a specified value.
- (7) Except in handicap races which expressly provide otherwise, two-year-old fillies shall be allowed three pounds, and fillies and mares, three-years-old and upward, shall be allowed five pounds before September 1 and three pounds thereafter in races where competing against male horses.

B. Penalties

- (1) Weight penalties are obligatory.
- (2) Horses incurring weight penalties for a race shall not be entitled to any weight allowance for that race.
- (3) No horse shall incur a weight penalty or be barred from any race for having been placed second or lower in any race.
- (4) Penalties incurred and allowances due in steeplechase or hurdle races shall not apply to races on the flat, and vice versa.
- (5) The reports, records and statistics as published by Daily Racing Form, Equibase or other recognized publications shall be considered official in determining eligibility, allowances and penalties, but may be corrected.
- (6) For determining weight penalties and allowances for horses that have previously won or placed in Graded or Group races, penalties in the race conditions will only apply to Graded or Group races in Part 1 countries as recognized in the international Catalogue Standards (ICS) book.

C. Weight Conversions

For the purpose of determining weight assignments and/or allowances for imported horses, the following weight conversions shall be used:

- (1) $1 \text{ kilogram} = 2 \frac{1}{4} \text{ pounds}$
- (2) 1 Stone = 14 pounds

D. Scale of Weights

The weights required in the following table shall be carried when not otherwise specified in the conditions of the race:

Table 1: Scale of Weights for Age

- (1) In races of intermediate lengths, the weights for the shorter distance are carried.
- (2)(1) In races exclusively for three-year-olds or four-year-olds, the weight is 126 pounds, and in races exclusively for two year olds, it is 122 pounds. With the exception of apprentices, no jockey shall be assigned a weight of less than 118 pounds.
- (3) In all races except in handicaps and races where the conditions expressly state to the contrary, the scale of weights is less, by the following: for two-year-old fillies, 3 pounds; for fillies and mares, three-years-old and upward, five pounds before September 1, and three pounds thereafter.
- (4) In all overnight races except handicaps, not more than six pounds may be deducted from the scale of weights for age, except for allowances, but in no case shall the total allowances of any type reduce the lowest weight below 101 pounds, except that this minimum weight need not apply to two-year-olds or three-year-olds when racing with older horses.
- (5) In all handicaps which close more than 72 hours prior to the race the top weight shall not be less than 126 pounds, except that in handicaps for fillies and mares, the top weight shall not be less than 126 pounds less the sex allowance at the time the race is run; and scale weights for fillies and mares or three-year-olds may be used for open handicaps as minimum top weight in place of 126 pounds.
- (6) In all overnight handicaps and in all claiming handicaps, the top weight shall not be less than 122 pounds.
- (7) In all overnight races for two-year-olds, for three-year-olds or for four-year-olds and upward the minimum weight shall be 112 pounds, subject to sex and apprentice allowances. This rule shall not apply to handicaps, nor to races for three year-olds and upward.
- (2) Quarter Horses, Appaloosas and Paints minimum scale weights shall be 120 pounds for two-year-olds, 122 pounds for three-year-olds, and 124 pounds for four-year-olds and older.
- (8)(3) A notice shall be included in the daily program that all jockeys will carry approximately three (3) pounds more than the published weight to account for safety equipment (vest and helmet) that is not included in required weighing out procedures. Additionally, upon stewards' approval, jockeys may weigh in with an additional three (3) pounds for inclement weather gear when approved by the stewards.

E. Distance Conversions

For the purpose of determining eligibility, weight assignments and/or allowances for imported horses, the racing secretary shall convert metric distances to English measures by reference to the following scale:

COMPARATIVE TABLE OF DISTANCES

200 Meters = 1 Furlong

1,000 Meters = 5 Furlongs

1,200 Meters = 6 Furlongs

1,400 Meters = 7 Furlongs

1,600 Meters = 1 Mile

1,700 Meters = 1-1/16 Miles

1,800 Meters = 1-1/8 Miles

2,000 Meters = 1-1/4 Miles

2,200 Meters = 1-3/8 Miles

2,400 Meters = 1-1/2 Miles

2,600 Meters = 1-5/8 Miles

3,000 Meters = 1-7/8 Miles

3,200 Meters = 2 Miles

3,600 Meters = 2-1/4 Miles

4,800 Meters = 3 Miles

Adopted in Version 1.4 ARCI 8/27/02 NAPRA 10/2/02

Version 4.4 to 4.5 ARCI 4/23/09 Amended language – weights assignment for graded stakes
